Second Floor

Residence D spectacularly maximizes the use of livable space and features a charming patio off the kitchen. Families can gather downstairs in the great room and enjoy sharing and preparing meals in the light-filled kitchen complete with Quartz countertops and tile backsplash, stainless steel appliances, center island and breakfast nook. Stairs lead to the sleeping quarters where the Master Retreat features a large walk-in closet and dual vanity sinks. Two-upper bedrooms share a bath, making Residence D the perfect choice for functionality.

Floorplan is artist's concept and not to scale. Square footage is approximate. All information is subject to change without notice.
